EXPERIENCE & INNOVATION

TECNOSTAMP, fondata nel 1978 a Piacenza, è diventata nel corso degli anni, una delle più grandi ed affermate aziende italiane nella produzione, progettazione e vendita di utensili di piegatura; in continua espansione grazie ad una capillare rete di rivenditori dislocati in ogni parte del mondo. In questa direzione molti investimenti sono stati fatti: l'acquisto di nuove macchinari e l'esigenza di dotarsi di tecnologie avanzate con lo scopo di incrementare il livello qualitativo e la gamma degli utensili a catalogo. La produzione comprende una vasta gamma di utensili standard – punzoni matrici ed accessori – adatti ai vari tipi di presse piegatrici; tutti i prodotti TECNOSTAMP sono realizzati con acciai di alta qualità temprati ad induzione nelle parti usurabili per una maggiore durata e sottoposti ad un accurato controllo qualità e assistenza post vendita. Non solo prodotti standard ma soluzioni mirate per applicazioni specifiche nei vari settori della lavorazione della lamiera. La chiave del grande successo di TECNOSTAMP è proprio il servizio dedicato ai clienti: il cliente prima di tutto! L'azienda crede fortemente nella forza della sua produzione e nella competenza dei suoi collaboratori che quotidianamente mettono a disposizione le proprie capacità professionali e la propria esperienza per una continua crescita trovando soluzioni mirate e personalizzate in grado di soddisfare le esigenze dei clienti in modo veloce ed efficiente. Ricerca, innovazione, qualità e passione sono i punti forza che hanno costruito negli anni il successo del marchio TECNOSTAMP e accompagnano la sua espansione nel mercato globale.

TECNOSTAMP, founded in 1978 in Piacenza, has become over the years, one of the biggest and most important Italian companies in the production, design and sale of bending tools; It's a world-wide-expanding company with a large network of dealers across the globe. For this purpose many investments have been made: the purchase of new machines and the need to equip with advanced technologies in order to increase quality and expanding range of tools in the catalogue. The production includes a wide range of standard tools- punches, dies and accessories – suitable for all types of Press Brakes; all TECNOSTAMP products are made of high quality hardened steels for induction on wear parts for longer life and subjected to accurate quality control and after sales service. Not only standard products but targeted solutions for specific applications in the various sheet metal processing sectors. The key to great success of TECNOSTAMP is the service dedicated to customers: the customer first of all! The company strongly believes in the strength of its production and the expertise of its employees who daily make available their professional skills and experience for continuous growth by finding targeted and customized solutions that can meet customer needs quickly and efficiently. Research, innovation, quality and passion are the strengths that have built over the years the success of TECNOSTAMP brand and drive its expansion into the global market.
